PROFILE

"Hello, I'm Ishita Mishra, a recent BCA graduate with expertise in Python, C, and SQL. I have a strong passion for Data Analysis and gained valuable experience during my work on a project at IIT Bombay NEC last year. I'm eager to enhance my skills and seeking remote opportunities to apply them."

ACHIEVEMENTS

❖ Data Analytics Training Jul 2023 — Present

Participating in a 3-month Data Analysis Training opportunity provided by Centum Foundation is a significant and valuable professional development experience. Elaborating on this opportunity in a professional manner can help highlight its importance and your commitment to enhancing your data analysis skills

❖ NEC IIT Bombay 2022 — 2023

I served as the Operational and Design Head of our entrepreneurship team. I am pleased to share that our Ecell team achieved the distinction of being named a finalist at NEC IIT Bombay. This accomplishment underscores our collective dedication and innovative efforts in the field of entrepreneurship,

❖ IntelliNature Sep 2022 — Dec 2022

Learn and Earn Completion in Machine Learning Data from IntelliNature in 2022. I worked on Micro tasks like Image annotation, Audio transcription, Audio QA, Entity Annotation, Search Evolution, AD Evaluation, Machine translation quality assessment and Text summarization.

❖ Science Exhibition 2014 — 2015

I had the privilege of participating in a District-level exhibition as part of the INSPIRE (Innovation in Science Pursuit for Inspired Research) AWARD program

As a participant, I was required to develop and present projects that demonstrated creativity, scientific rigor, and the potential for positive impact. This involved in-depth research, problem-solving, and the application of scientific principles to real-world challenges

❖ Model Exhibition 2015

Securing the second position in the "Vikas Evam Sikshan Samiti (Model Exhibition) 2015" was a notable accomplishment and a testament to my dedication and hard work in the context of the event. This exhibition provided an opportunity to showcase innovative projects, educational models, or other creations that contributed to the educational and developmental goals of the Vikas Evam Sikshan Samiti organization.

❖ Disaster Management, Prahari Reporters 2018

Participating in an initiative like "Prahari Reporters - Disaster Management: A Mission from Kashi to Kyoto" is a commendable endeavor that reflects a commitment to disaster management, community service, and cross-cultural collaboration. Elaborating on your participation in a professional manner:
